**Notes:**

1. Network Licenses - Please call our Sales team on **020 7284 8071** if you require a licence for more than 50 users or for installation on more than one server.
2. The Download update option is available at all subscription levels. Updates are downloaded from our website using a password sent to you by email. The download update service is an alternative to CD updates. Gold subscribers receive monthly updates by download (or 8 per year on CD), Silver subscribers receive bi-monthly updates by download (or 4 per year on CD) and Bronze subscribers receive quarterly updates by download only.
3. If you have chosen to download updates for RailPlanner please specify the email address to which we should send notifications of update availability - without this information we will be unable to notify you of availability or to provide you with a login and password:
